Introducing the Allina Health Volunteer Services Newsletter

Hello, Allina Health volunteers!

We are excited to introduce our new Allina Health Volunteer Services newsletter that will be sent to all volunteers across our organization.

The newsletter will feature:

- Educational opportunities for you to participate in
- News features and articles to help you in your volunteer role
- Service spotlights on volunteers from across our organization
- Invitations to special events and more ways to get involved

In this email:

- Service spotlight
- Introducing the new System Volunteer Services Office and team
- Allina volunteers celebrated at the final Minnesota United game
- Photos of volunteers across Allina Health

Sue (human) and Luna (canine) are pet therapy volunteers at Buffalo Hospital & Courage Kenny Rehabilitation Institute

Service Spotlight

– Esther, volunteer at St. Francis Regional Medical Center

“ I volunteer at the St. Francis Regional Medical Center surgery lounge.

I check patients and their family members in, take patients and their families back to the pre-op room, take families to the consultation rooms, answer calls and questions, and clean the surgery lounge.

Overall, I just do what I can to make what can be a nerve-wracking experience a little bit more calm by being welcoming and kind..

Volunteers Celebrated at Minnesota United Game

Ten lucky volunteers from across Allina Health won tickets to the final MNUFC home game of the 2023 season and joined Allina Health employees for a party suite experience.

It was a fantastic night, and a terrific acknowledgement of how important volunteers are to our work!

New System-wide Volunteer Office

We are pleased to announce the establishment of a new Allina Health systemwide Volunteer Services Office.

This new office serves to:

- elevate the important role volunteers have throughout Allina Health
- increase connectivity and collaboration between our locations
- enhance our ability meet the needs of individuals served in each of our communities.

System Volunteer Office Team: Jessica Hamel - System Volunteer Services Director, Angie Bloss - System Operations Consultant, Julie Hogue - System Volunteer Services Manager, Beth Jennings - System Volunteer Services Specialist
