

Information for Humana Medicare Advantage Members

Effective January 1, 2025, Allina Health will no longer be an in-network provider for Humana Medicare Advantage plans. As a valued Allina Health patient, we want you to know your options for continuing to receive care from Allina Health.

This change does not apply to Humana's pharmacy plan or members of group retiree plans.

Allina Health's In-Network Medicare Advantage Plans

If you want to continue to receive care from the Allina providers you know and trust, you will need to switch to another Medicare Advantage plan. Original (Traditional) Medicare is always in network with Allina Health.

Allina Health will be in network with the following Medicare Advantage plans in 2025:

- Allina Health | Aetna (1-800-972-3601)
- Blue Cross Blue Shield of MN (1-844-777-0191)
- HealthPartners (1-800-247-7015)
- Medica (1-888-222-3197)
- UCare (1-833-951-3187)
- UnitedHealthcare (1-844-699-7144)

Open Enrollment

The annual Medicare Advantage Open Enrollment period ended on December 7, 2024. **There is an additional enrollment period that occurs from January 1 to March 31, 2025.** During this period, you will have the opportunity to make one switch to a different Medicare Advantage plan.

If you make an enrollment change during that time, your coverage will go into effect on the first of the following month. For example, if you make a change on January 1, 2025, your coverage will begin February 1, 2025. During that gap time, you will not have access to Allina Health providers or services.

We recommend you take action to protect your access to care at Allina Health. To make changes to your Medicare Advantage plan:
