Ophthalmology Update

An overview for technicians and nurses

Saturday, Feb. 20 | 7:30 a.m. – 1:15 p.m.

DESCRIPTION

This one-day conference will cover a broad range of ophthalmology topics that are of interest to technicians and nurses, including surgery, clinical procedures and advances in technology. Courses will be presented at an intermediate to advanced level. This is an excellent and affordable opportunity to learn from local ophthalmology experts and earn continuing education credits.

TARGET AUDIENCE

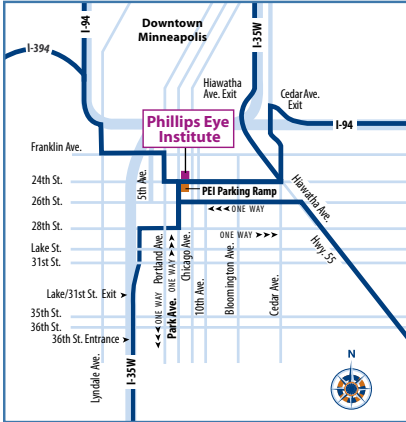

Certified ophthalmic personnel, surgical technicians and nurses.
